

How to Get Stripe API Keys

✅ Steps to get your Stripe API keys:

1. Go to <https://dashboard.stripe.com/apikeys>
2. Log in to your Stripe account.
3. Copy the 'Publishable key' and 'Secret key'.
4. Use the secret key in `.env` of backend.
5. Use the publishable key in `client/.env`.

📌 Example:

```
STRIPE_SECRET_KEY=sk_test_...
```

```
NEXT_PUBLIC_STRIPE_PUBLIC_KEY=pk_test_...
```
